Petition For Stay in MM Docket 92-266

Ms. Donna Searcy
Secretary
Federal Communications Commission
1919 M Street NW
Washington, DC 20554

Dear Ms. Searcy:

Since 1972 I have built this small cable system to what it is today. I did not ask CH-9 or CBS to pay me to deliver their signal in this community. Which is over 100 air miles from their station.

When the FCC and the FTC sets the rates the same as all telephone companies can receive on their investment then maybe we can pay a fee for Retransmission.

The Cable Act will cost the consumer in the end.

Sincerely,

G.W. Kretchmae
